

VISUAL HEALING ARTS

VISUAL HEALING ARTS are powerful workshops that follow the Twelve Step model, using a variety of art materials and themes designed to enrich creativity, enhance self-discovery and promote recovery through an integrated lens.

Lynne Aubert designed and developed Art Studio in Recovery, Art in Recovery and Visual Healing Arts. These workshops are supported by Western Connecticut Mental Health Dream Makers Grant and the community. For over 30 years, Lynne has utilized her Master's Degree in Fine Art, teaching people of all ages and abilities.

Walk-Ins are welcome and encouraged throughout the module! Make someone's night, bring a friend.
